

CURRICULUM VITAE

PERSONAL INFORMATION

NAME: Farhad Moshiri, D.M.D., M.S., F.A.C.D., F.I.C.D.

ADDRESS: Practice: 777 S. New Ballas Rd. 104 Brevo Plaza 1320 E. Kingsley, #B
Suite 305West Lake Saint Louis, MO 63367 Springfield, MO 65804
St. Louis, MO 63141 (636) 561-4615 (417) 881-7490
(314) 4braces (427-2237) (Fax) 561-9001 (Fax) 881-3993
(Fax) 997-7554
E-mail: bracesforyou@charterinternet.com

EDUCATION

Graduate of Tufts University School of Dental Medicine
Boston, Massachusetts
Degree: Certificate in Teacher Training

Graduate of Washington University School of Dental Medicine
St. Louis, Missouri
Degree: D.M.D.

Graduate of Northwestern University Dental School
Chicago, Illinois
Certificate of Orthodontic Specialty and Master of Science
Degree: M.S.

EDUCATIONAL POSITIONS

1978 - 1979 Clinical Instructor
Department of Orthodontics
Northwestern University Dental School

1979 - 1980 Assistant Professor
Department of Orthodontics
Washington University School of Dental Medicine

1979 - 1983 Orthodontic Consultant for Orthognathic Surgery Program
Washington University School of Dental Medicine

1980 - 1983 Associate Professor and Chairman
Department of Orthodontics
Washington University School of Dental Medicine

1984 - Present Orthodontic Consultant for Orthognathic Surgery Program
Department of Orthodontics
University of Louisville School of Dentistry

1984 - 1988 Distinguished Visiting Lecturer
Department of Orthodontics

1985 - 1994	Ohio State University, School of Dentistry Orthodontic Consultant for the United States Army Advanced Education Program in Orthodontics Fort Knox, Kentucky
1984 - Present	Clinical Professor Department of Orthodontic, Pediatric, and Geriatric Dentistry University of Louisville School of Dentistry

PROFESSIONALLY RELATED ACTIVITIES

1987 - 1988	International Relations and Congress Liaison Committee for American Cleft Palate Association
1989	Chairperson, Committee on Scientific Sessions Greater St. Louis Dental Society
1989 - Present	Executive Director Greater St. Louis Craniomandibular Society
1994	Chairperson, Council on Annual Sessions Mid-Continent Dental Congress
1996	President, West County District Greater St. Louis Dental Society
1997	Alternate Missouri Dental Association
1998-1999	President Greater St. Louis Dental Society
1998 - 2000	Delegate Missouri Dental Association
1999-2000	Board of Trustees Greater St. Louis Dental Society

HOSPITAL STAFF APPOINTMENTS

1979 - 1983	Member, Cleft Palate and Craniofacial Surgical Team Barnes Hospital St. Louis, Missouri
-------------	---

1985 - 1987	Orthodontic Consultant St. Louis Memorial Hospital St. Louis, Missouri
1991 - Present	Orthodontic Consultant St. Luke's Hospital - West Chesterfield, Missouri
1998 - Present	Orthodontic Consultant St. John's Mercy Medical Center St. Louis, Missouri

BOARD AND STATE LICENSES

May, 1981	Central Regional Dental Board
September, 1981	Missouri Dental Board
July, 1982	Missouri Specialty Board
September, 1983	Northeast Regional Dental Board
September, 1986	Kentucky State Board
September, 1989	Illinois Dental Board

DIPLOMATE AMERICAN BOARD OF ORTHODONTICS

HONORS AND AWARDS

1969 - 1975	Class Valedictorian (first in class) School of Dentistry
1983	Scientific Contribution Award from Richmond County Dental Society, New York
1983	Appreciation Award from the graduate residents, Department of Orthodontics, Washington University School of Dental Medicine in St. Louis, Missouri for guidance, leadership, and dedication to the students
1983	Appreciation Award from the faculty Department of Orthodontics, Washington University, School of Dental Medicine in St. Louis, Missouri, for dedication, diligence, and excellence in

- chairing the Washington University School of Dental Medicine,
Orthodontic Department
- 1986 Scientific Contribution Award from IV Congress, Venezuelan
Society of Orthodontics, Caracas, Venezuela
- 1993 Appreciation Award from the United States Army Advanced
Education Program in Orthodontics and General Dentistry, Fort
Knox, Kentucky
- 1996 Appreciation Award for Presidential Leadership from the West
County District of the Greater St. Louis Dental Society
- 1999 Appreciation Award for Service as President of the Greater St.
Louis Dental Society from the Missouri Dental Association
- 1999 Appreciation Award for Service as President from the Greater St.
Louis Dental Society
- 2000 Award of Merit from the Greater St. Louis Dental Society in
recognition and appreciation of outstanding service to the Dental
Society
- 2001 President's Distinguished Faculty Award at the University of
Louisville, (Kentucky)

MEMBERSHIP IN PROFESSIONAL SOCIETIES

- American Association of Orthodontics
- Midwestern Society of Orthodontics
- Greater St. Louis Orthodontic Society
- American Dental Association
- Missouri Dental Association
- Greater St. Louis Dental Society
- American Cleft Palate Association
- Northwestern University Orthodontic Alumni Foundation
- Washington University Orthodontic Study Club
- Washington University Dental Alumni Association
- Washington University Orthodontic Alumni Foundation

	Fellow, American College of Dentists
	Fellow, International College of Dentists
1988 - Present	Member, Executive Committee Greater St. Louis Area Esthetic Dentistry Study Club
1989 - 1993	American Academy of Head, Neck, Facial Pain and TM Joint Orthopedics
1992 - Present	Fellow, College of Diplomates American Board of Orthodontics
1994	American Equilibration Society
1994 - Present	Fellow, International College of Diplomates American Board of Orthodontics
1995 – Present	Fellow, World Federation of Orthodontists

BOOKS

Contributor to *Comprehensive Care for Craniofacial Deformities* by Jeffrey L. Marsh and Michael W. Vannier, The C. V. Mosby Co., June 1985.

TALKS AND PRESENTATIONS

- 1) Direct Bonding in Orthodontics. Presented to graduate students and faculty, Department of Orthodontics, University of Chicago, Chicago, Illinois, April 1979.
- 2) Indirect Bonding Orthodontics. Presented to graduate students and faculty, Department of Orthodontics, University of Chicago, Chicago, Illinois, July 1979.
- 3) Continuing Education Course: Surgical-Orthodontic Management of Dentofacial Deformities. Washington University School of Dental Medicine, October 25 and 26, 1980 (F. Moshiri, P. O. Quellette, A. Sclaroff and L. Pritchard).
- 4) Continuing education course: Role of Orthodontics in the Cleft Palate Team. Parents' Day, Barnes Hospital, St. Louis, Missouri, September, 1981.
- 5) Role of Orthodontists in Orthognathic Surgery. Presented to the Washington University Alumni Association, October 1981.

- 6) VTO, Way to Go? Presented to residents and faculty, Department of Plastic Surgery, Barnes Hospital, St. Louis, Missouri, December 15, 1981.
- 7) Orthognathic Surgery for Adult Patient, Presented to the Idaho Orthodontic Society, Pocatello, Idaho, March 1982.
- 8) Role of Orthodontists in Today's Practice. Faculty Seminar Series, Washington University School of Dental Medicine, St. Louis, Missouri, March 1982.
- 9) Functional Orthodontic Appliances. Presented to the South County District Dental Society, St. Louis, Missouri, September 28, 1982.
- 10) Continuing education course: Early Treatment in Cleft Palate Patients. Parents' Day, Barnes Hospital, St. Louis, Missouri, October 1982.
- 11) Differential Diagnosis of Temporomandibular Joint Dysfunction. Presented to the South County Study Club, St. Louis, Missouri, October 26, 1982.
- 12) Surgical-Orthodontic Correction of Complicated Dentofacial Deformities. Presented to the Orthodontic Study Group of Peoria, Decatur, Bloomington, Normal, Champaign, Mattoon, and Lincoln, Illinois, April 17, 1983.
- 13) Continuing education course: Orthodontics for General Dentistry, Missouri Academy of General Dentistry, Table Rock, Missouri, June 11 - 13, 1983.
- 14) Continuing education course: Comprehensive Care for Cleft Palate Children. Parents' Day, Barnes Hospital, St. Louis, Missouri, October, 1983.
- 15) Continuing education course: Orthognathic Surgery: Cephalometric Considerations in Blacks. As part of the Orthodontic-Surgical Correction of Dentofacial Deformities Symposium, Fort Worth, Texas, November 11 - 13, 1983.
- 16) Practical Approach to Diagnosis and Treatment of Temporomandibular Joint Dysfunction. Presented to the Richmond County Dental Society, Staten Island, New York, November 15, 1983.
- 17) Orthognathic Surgery Norms for Black Patients. Presented to faculty and surgical residents, Albert Einstein College of Medicine/Montefiore Medical Center, November 16, 1983.
- 18) Continuing education course: Orthodontics for General Dentistry. Missouri Academy of General Dentistry, Washington University School of Dental Medicine, St. Louis, Missouri, December 2, 1983.
- 19) Differential Treatment Timing in Cleft Palate Patients. Presented to the faculty and residents, Department of Plastic Surgery, Barnes Hospital, St. Louis, Missouri, December 20, 1983.
- 20) Combination Surgery in Correction of Dentofacial Deformities. Presented to faculty and residents, Department of Orthodontics, Indiana University, Indianapolis, Indiana, March 1, 1984.

- 21) One and Two Jaw Surgery in Correction of Dentofacial Deformities. Presented to faculty and residents, Department of Orthodontics, University of Louisville, Louisville, Kentucky, March 4 - 5, 1984.
- 22) Management of Cleft Patients and Diagnosis of Maxillofacial Deformities. Presented to faculty and residents, Department of Orthodontics, University of Oklahoma, Oklahoma City, Oklahoma, June 1, 1984.
- 23) Differential Treatment Timing in Cleft Palate Patients and Diagnosis of Maxillofacial Deformities. Presented to faculty and residents, Department of Orthodontics, Ohio State University, Columbus, Ohio, August 7, 1984.
- 24) Orthodontic Update. Presented to the Mound City Dental Society, St. Louis, Missouri, November 14, 1984.
- 25) Orthodontics for Children - An Update. Presented to the Des Peres Montessori parents, St. Louis, Missouri, March 2, 1985.
- 26) Advanced Early and Late Orthodontic Treatment in Patients with Cleft Lip and Palate. Presented to faculty and residents, Department of Plastic Surgery, Cardinal Glennon Hospital, St. Louis, Missouri, April 13, 1985.
- 27) Advanced Analysis and Case Presentation in Patients with Severe Dentofacial Deformities. Presented to faculty and residents, Department of Orthodontics, Ohio State University, Columbus, Ohio, April 15 and 16, 1985.
- 28) Advanced Analysis and Case Presentation in Patients with Severe Dentofacial Deformities. Presented to residents of the Orofacial Pain Dysfunction Institute in St. Louis for ten consecutive Mondays, January through March 1986.
- 29) Craniofacial Growth and Development - Surgical Orthodontics. Presented to the IV International Venezuelan Society of Orthodontics, Caracas, Venezuela, February 24 - 28, 1986.
- 30) Ortho/TMJ Update. Presented to the Missouri Hygienists Society at the 121st Annual Meeting of the Missouri Dental Association, Omni Hotel, St. Louis, Missouri, April 24 - 26, 1986.
- 31) Continuing education course: Advanced Concepts in Esthetic Management of Cranio and Dentofacial Deformities. University of Louisville, School of Dentistry, June 27 - 28, 1986.. (F. Moshiri, J. Marsh, M. Travis, M. Kuftinec, G. Verdi, and B. Alpert).
- 32) Orthodontic/Orthopedic Update. Presented to South District Dental Society, St. Louis, Missouri, August 18, 1986.
- 33) Orthodontic/Orthopedic Update. Presented to residents of the United States Army Advanced Education Program in Orthodontics and the Advanced Education Program in General Dentistry, Fort Knox, Kentucky, August 28 - 29, 1986.

- 34) Orthodontic/TMJ Update. Presented to residents and faculty, Department of Orthodontics, University of New York, New York, October 22, 1986.
- 35) Orthodontic, Orthopedic and TMJ Considerations of Dental and Skeletal Problems. Presented to West District Dental Society, St. Louis, Missouri, January 20, 1987.
- 36) Continuing education course: Orthodontic/Orthopedic Surgical Rehabilitation of Juvenile and Adult Malocclusion: Dental, Skeletal Soft Tissue, and Temporomandibular Joint Problems. Presented to Greater St. Louis Dental Society, St. Louis, Missouri, March 2, 1987.
- 37) Prevention of Temporomandibular Joint Dysfunction. Presented to North County District Dental Society, St. Louis, Missouri, April 23, 1987.
- 38) An update on Orthodontics & Orthopedics. Presented to Arab American Medical Association, Omni International Hotel, St. Louis, Missouri, October 2 - 4, 1987.
- 39) Continuing education course: Contemporary Orthodontic, Orthopedic & Surgical Rehabilitation of Juvenile and Adult Malocclusions. Presented to Orthodontic Alumni Association, New York College of Dentistry, New York, New York, March 25, 1988.
- 40) Clinical Implications of Craniofacial Growth and Development and Its Relationship to Normal TMJ Dysfunction, Presented to Greater St. Louis Craniomandibular Society, St. Louis, Missouri, February 4, 1989.
- 41) An Introduction on the Diagnosis and Treatment of Referred TMJ Patients from an Orthodontist's Point of View. Presented to St. Peter Study Club, St. Louis, Missouri, March 15, 1989.
- 42) Orthopedic and Orthodontic Solutions: An Update. Presented to the Greater Springfield Dental Hygienists' Association, Springfield, Missouri, January 3, 2006.
